# RENTAL APPLICATION – USE OF FACILITIES

## EXHIBIT A – FACILITY RULES

If Party's use of the Facility is for an approved ministry outreach endorsed by Church, there will be no charge for use of the site. (A donation will be accepted to cover incidental expenses or church maintenance, as you are so led.) If Party is a member of Church, a reduced fee will be offered.

While on the property, Party will not sell, consume or endorse the use of alcohol or illegal drugs. If Party sees anyone on the Church property partaking in any of these items, Party will ask them to refrain until they leave the property.

Party will be responsible that the property is kept in an orderly and presentable fashion and that the Church is restored to its original order upon departure. Anything that was moved or re-arranged for Event must be returned to its original location.

In all cases, Party using the Church is responsible for cleaning the Facility prior to departure, unless other arrangements are made. In the event that the Facility is not cleaned appropriately upon inspection, the cleaning deposit will be retained by the Church. Party will remove all trash and place it in outside garbage bins provided.

The Facility will be opened 1-½ hour prior to event and as arranged in Exceptions above, for rehearsals, decorating, set up, etc. A Church representative will be onsite at all times for each Event. Facility use is limited to space as noted on Application.

Use of site can be terminated at any time, if a Trustee or designated Church representative feels that the use of the site is not in agreement with the agreed use or ministries of the Church. If termination of use is required, all fees and charges will be forfeited by Party listed in this agreement.

If Party has any questions or concerns, before or during event, please contact the Trustee listed on the Application or another designated Church representative, immediately.
